Help Us Save The Bay!

CBF invites you to support our 11th annual **Bands in the Sand** on Saturday, June 11, 2016, from 5:00–10:30 p.m. Don't miss this opportunity to champion CBF's mission to "Save the Bay" while enjoying a great party with friends. By joining the Committed to the Bay Committee, you will receive a pass to park on-site at the Philip Merrill Environmental Center. In addition, your name will be printed on the event invitation and on display at Bands in the Sand. You will also be invited to the Bands in the Sand Kick-Off Party next spring.

Your committee membership will support CBF's work to educate more than 30,000 students, teachers, and school principals this year; plant millions of oysters in the Bay; restore hundreds of acres of wetlands and wildlife habitat; reduce pollution flowing into our waters; and ensure a cleaner Bay for future generations!

About CBF

The Chesapeake Bay Foundation is the largest non-profit organization dedicated solely to protecting the Bay and its rivers and streams. CBF leads the way with environmental education, habitat restoration, environmental advocacy, litigation, and strategic communications throughout the six-state watershed.
