

# CBF STUDENT LEADERSHIP CODE OF CONDUCT

## CBF STUDENT LEADERS...

- **Respect everyone's thoughts, opinions, and ideologies** even (and especially) if you disagree with them. This applies to public platforms, such as social media and news media, and in-person events and meetings
- **Serve as ambassadors of CBF.** All advocacy, action, and outreach efforts should reflect this.
- **Act and dress appropriately** for all activities. You are representing CBF, your community, and yourself.
- **Encourage bipartisan problem-solving** and collaboration in the effort to save the Bay.
- **Make a conscious effort to attend and participate** as fully as possible in CBF Student Leadership events and meetings. You will get out of the program as much as you are willing to put into it.
- **Respect** the environment, others, and their property.
- **Engage in conversation**, actively listen, and honor the time and efforts of partner organizations who contribute to our programs.
- **HAVE FUN!**
